How do I find information in the Portal?

Who is the point of contact?

The screenshot shows the R&E Portal homepage. At the top is the header "R&E PORTAL DoD Research & Engineering" with a navigation bar containing links like Home, R&E News, DDR&E Initiatives, E-Gov Initiative, Financial Management, Strategic Plans, Congressional Reporting, and R&E Communities. Below the header, the page is divided into several columns. The left column features "A Guide Through The Portal" with sub-sections for E-Gov Initiatives, E-Gov Initiatives, and Financial Management, along with icons for Announcements, Calendar, Forums, Files, Feedback, and Help. The middle column displays "DefenseLink Top News" with a featured article about the CATAMARAN high-speed vessel. Below this are sections for "Myers Speaks to Cadets About Leadership", "Federal Law Helps Troops Deal With Creditors", "Engineers Improve Iraq's Power Production", and "President, Family Visit Fort Hood Troops". The right column contains a "Defense Technology Search" box, a list of "R&E Applications" including Congressional Budget Queries and DDR&E Applications Feedback Form, and a "Virtual Technology Expo" section. At the bottom right, there are sections for "Personal Favorites" (S&T Favorites, Portal Favorites, Web Favorites) and an "R&E POC Search" box. Red callout arrows point from the surrounding text boxes to specific elements: one points to the "E-Gov Initiatives" section, another to the "Defense Technology Search" box, a third to the "CATAMARAN" article, a fourth to the "R&E Applications" list, and a fifth to the "R&E POC Search" box.
